Professional Car Care By EVERCOAT®

## TruAdvantage™ Ultra Concentrate Wheel Cleaner

### INNOVATIVE DISPENSING, SAME INCREDIBLE PERFORMANCE.

TruAdvantage™ Ultra Concentrate Wheel Cleaner is one component of the new AutoMagic TruAdvantage™ system. Ultra Concentrate Wheel Cleaner is a professional wheel cleaner that removes brake dust and other stubborn grime. Cleans tires prior to the application of tire dressing.

### APPLICATIONS

- Original Factory (OEM) Wheels
- RV's
- Motorcycles
- Commercial

### BENEFITS

- Effectively removes brake dust and stubborn grime.

### DIRECTIONS

Rinse wheel thoroughly with water. Spray on surface and allow dwell time of 1-2 minutes. Agitate with a brush if necessary to remove brake dust and corrosion. Rinse thoroughly with water. Wipe with a clean, dry cloth. Do not use on hot surfaces. Do not allow to dry on surface. Do not use on magnesium or powder-coated surfaces.

### HELPFUL TIPS

- Spot-test unfamiliar areas
- Always cool off hot surfaces
- For best results, use a pressure washer
- Safety Data Sheet available on [automagic.com](http://automagic.com)

### TECHNICAL SPECIFICATIONS

Part #	50250D
