

Product Technical Bulletin

PRODUCT NAME:

Ultra-Concentrated
Ceramic Spray

Part#

50205D

PACKAGE:

32 oz.

PRODUCT CATEGORY:

Spray Ceramic

COLOR:

Off White

SCENT:

Vanilla Cookie

ABRASIVENESS:

0 out of 10 (10 is highest amount of abrasive)

PRODUCT DESCRIPTION:

A very quick and easy to use, high gloss ceramic-fortified spray for use on exterior surfaces. Provides an extremely slippery and hydrophobic surface. Gives a lasting shine to exterior paint, plastic and chrome. Nonabrasive.

DIRECTIONS:

Ultra-Concentrated Ceramic Spray, part# 50205D is diluted 1 to 10 out of the diluter. Shake product well. Use on a dry or mostly dry vehicle, just after a proper wash. Lightly mist product onto the surface. Wipe product into the exterior surfaces with a clean Dry towel and buff to a high gloss with a second, clean, DRY towel. To avoid streaking, it is best to remove product quickly if hazed. Do not use in direct sunlight. Use only a small amount of product, or enough to spread over applied area. DO NOT use on steering wheels, brake or gas pedals, shifter knobs. Avoid use on glass.

ADDITIONAL USES:

Excellent on RVs, watercraft, motorcycles, bikes, and other painted and clear coated surfaces.

HELPFUL TIPS:

We recommend removing all surface contamination by using Clay Magic® detailing clay prior to application to ensure the highest performance. Best used on cool to the touch surfaces and out of direct sunlight.

If product hazes or you have a high spot wipe again with a moist towel to blend haze.
